No.9053/H5/48 dated 26/9/48.

Sir,

Sub: Education - Fisheries - Malpe H.E. school - Additional accomodation Provision of - Proposals.

The Malpe fisheries H.E. school has a strength of 470 pupils and an average attendance of about 400 at present. The existing school building can accomodate only 288 pupils. Standards IV and VI which have a strength of 60 and 84 respectively need bifurcation. Proposals for the appointment of two additional teachers for these classes have been submitted as part II scheme proposals - vide this office letter No.8720/H5/48 dated 16/9/48. The school is in urgent need of additional accommodation for 200 pupils. There are some more pupils to be admitted as the school is in a compulsory area and admission cannot be refused.

The president of the Yelur Mogaveera Abhivirdhini Sangha, who owns the school building, has agreed to provide additional accomodation, if he is given an assurance of payment of rent as assessed by the Public Works Department. The present rent of the building is Rs.48 p.m. vide G.O.No.Ms.2526 Dev. dated 17/5/48. As the school is progressing, the provision of additional accommodation is absolutely necessary. I therefore request that permission may be accorded to the Yelur Mogaveera Sangha to put up an extension to accommodate 200 pupils on an assurance of rent being paid as assessed by the Public Works Department.
